

COMPETITION READY

Distinctive singlet designed with the elite athlete in mind. The silicon grip strips at the thigh keep the singlet in place so you stay focused on your lifts. DURATEC® stretch panels add protection from the bar while the bonded seams reduce chafe. Sweat-wicking and 4-way stretch for optimal range of motion during competition. The lifting suit is certified by the IPF for competition.

AVAILABLE SIZES: M / XS / S / L / XL

WEIGHT

0,2 kg / 0.44 lbs
