

**DESIGNED FOR**

Outdoor strength training and functional fitness

**RUST AND WEATHER RESISTANT**

Galvanized finish ensure long lasting performance in outdoor environments

**FOR HOME OR COMMERCIAL USE**

Durable design suits both backyard setups and heavy commercial use

# FOUNDATION FOR OUTDOOR STRENGTH

## EFFECTIVE TRAINING, COMPACT FOOTPRINT

Ideal for squats and presses, the galvanized Eleiko XF 80 Half Rack with crossbar provides the essentials for outdoor strength training in a compact footprint. The galvanized finish provides weather- and rust-resistance, extending the durability of the rack. The rack features a crossbar and can be customized with attachments to create a training space tailored to your needs. The Eleiko XF 80 Half Rack is suitable for both backyard setups and highly trafficked outdoor environments.
