

GRIP MARKINGS

Bar features markings for powerlifting

KNURLING

Aggressive grip to ensure a secure hold on the bar

DESIGNED FOR

Powerlifting and strength training

MADE FOR STRENGTH

STRONG BARS FOR STRONG PEOPLE

The Performance Powerlifting Bar is precision crafted from ultra-strong Swedish steel and the sleeves are constructed with resilient bronze bushings. Designed specifically for squats, presses and deadlifts, the bar is stiff and strong engineered to lift 1500 kg. The grip is aggressive, sharp enough to give full control without becoming uncomfortable, especially during higher volume training sessions.

ARTICLE CODE
